Together, we have the power to resist – and we have the power to win.

“We know this because we’ve seen it before. The authors of this guide are former congressional staffers who witnessed the rise of the Tea Party. We saw these activists take on a popular president with a mandate for change and a supermajority in Congress. We saw them organize locally and convince their own Members of Congress to reject President Obama’s agenda. Their ideas were wrong, cruel, and tinged with racism—and they won. ...If a small minority in the Tea Party can stop President Obama, then we can stop Trump.”

WHAT CAN I DO?
